Celebration of Children's Day.

Among the various beneficent activities undertaken by the nited Nations Organization is the one relating to the omotion of the health and well-being of children. Since its ception the Organization has been insisting on the improve- ent of the morale of children in general and devising ways id methods to secure means both material and spiritual, hich are essential for their normal development. The work oposed to be undertaken in this behalf covers a wide range subjects such as the physical care and attention of children ving succour to those who early in life are bereft of paternal otection reclaiming the delinquent section among children id above all arresting the incidence of infantile mortality hich particularly in India is assuming serious proportions. hese are objects which are deserving of active and sympa- hetic consideration of all people. Children being the reatest national asset no country can afford to neglect them id no pains spared to contribute to their care, welfare and appiness, The United Nations Organization is therefore elebrating 'Children's Day' all over the country on the 30th stant and has appealed for funds for being employed for an l-round relief for them, the urgent needs of each region not ing neglected. In pursuance of this appeal Mysore also is lebrating the 'Children's Day' on the same day. It is ncerely hoped that the people of Mysore will associate emselves with this scheme in a generous measure and ntribute liberally towards the "United Nations Children's elief Fund."
